Dear Parents,
Welcome Back to **School!** We hope you had an enjoyable Easter Holiday. The children have certainly had lots of exciting stories to share about their holiday and we would like to say thank you for all the work you do with your children, ensuring they are ready to learn every day.
As a school, we hit the ground running in the most professional manner to fulfill our own part of the bargain as featured in the **Curriculum Overview** sent to you and we are proud to say that our pupils have settled seamlessly into academic routine.
In the bid to maintaining a focus for Term 3, we organized **the Achievers Assembly** in order to celebrate hard work and academic excellence of the past term (Term 2). Pupils were awarded with Certificates and gift items based on the following categories, **Overall Best, Subject Best and Most Improved**.
Term 3 is a promotional class thus will place a lot of demand on pupils, we seize this opportunity to encourage you to put a routine in place whereby children know they must study, do their homework, etc. Having a range of books at home will develop their reading skills. At this time, turn the **television/computer off**. Use the television/computer as incentives for work done – they will value it more.
In order to boost the confidence level and competing favourably with their counterpart, pupils of Key Stage 2 will be representing the school in a **Spelling Bee and Science** competition on the 5th and 12th of May, 2018 respectively. These competitions are organized by the **Association of International Schools Educators of Nigeria (AISEN)**.
Not forgetting some of the events that held; our Year 5 pupils were busy during the past term and all through the holiday preparing for the **National Common Entrance** and other entrance exams into various colleges. It was an academic drill that paid off as most of them have already passed into top choice Schools in Nigeria.
The **CEO** of Blooming Greens had a time out with Grandparents of the school, knowing fully well their relevance to the educational process of their Grand Children. It was a memorable experience and we look forward to more of such functions.
We are **committed to Excellence** and we will continue to apply the best practice professionally to ensure that our pupils maximize their full potentials in all they do. Remember we operate an open door policy – feel free to book an appointment if you have concerns or need support, help or advice. The CEO's line is open to all parents.
May we all have a rewarding term 3!
Thank You.
