Dear Parents,

We regard it a considerable privilege to work with parents who are ready and available to partner with us in grooming a **"Total Child"**, we say thank you. The summer term got off on a good start and our clear and unrelenting emphasis on the need to work hard academically, socially, morally, and emotionally is beginning to pay its dividends as our children's report have picked momentum. We are proud to announce that our Key-Stage 2 (KS2) pupils have been putting up brilliant performances in various competitions (**Mathematics, Literacy and Science**) organized by the **Association of International Schools Educators In Nigeria (AISEN)** and we will not relent in giving them the necessary exposure required for effective result.

Financial literacy cannot be negated in our world today. As part of raising a **total child** we organized the **"Currency Day"**, a day set aside to discuss the value of money and the role it plays in our everyday life. We had an exhibition of various currencies of the world and a tuck shop was set up to practice the market system reinforcing mathematical development while capturing history on the evolution of money from trade by barter to the use of cowries, then coins and bank notes etc. The event also featured some major financial institutions in Nigeria who in turns took time to create awareness on securing a better future through savings. This term's **"Coffee Morning"** played an integral role in building a synergy, an enduring system and a lasting impression second to none. As a citadel of learning **our word is our bond** and we are not relenting on the valid points raised in the course the event. We also seize this opportunity to appreciate you all for taking out time off your busy schedule to grace the occasion and we look forward to having you during other future events.

Our **Mid-Term break** will span from **Monday, 28<sup>th</sup> of May – Friday, 1<sup>st</sup> of June, 2018**; however, pupils have been given **Project Topics** to engage them during this period. Kindly note that the project work forms part of the term's cumulative.

Immediately after the Midterm Break, our **Second Feed Forward Test** is scheduled to hold from **Tuesday, June 5 – Friday, June 8, 2018**. We encourage you to revise concepts taught with your child(ren) during the break.

The next big event at **Blooming Greens School** is the **"Intercontinental Day"** slated for **Thursday, 14<sup>th</sup> June, 2018**; a day to celebrate the uniqueness of the world's cultural diversity. Pupils have been grouped into various countries of chosen continents. We hereby encourage your usual support to make this programme a huge success.

Many thanks once again for your unflinching support and we wish you a graceful Mid-term Break!

**Thank You.**

**Warm Regards.**
