Appreciations to our parents on the encouraging turn out at our Coffee morning, which took place on Saturday 20th of January. The gathering provided an attention-grabbing congregation enthusiastically sharing information relating to all aspects of whole school.

For Blooming Greens, it is always a bonus inviting and listening to parents concerns, alongside the positive recognition of our teaching staff.

The electrifying forum provided the school another opportunity to take on board productive, constructive ideas as well as put right other areas.

The issues brought up in the meeting were addressed and in the usual style, the school sent back responses via email to parents.

The Extended Learning programme which runs from 3-4pm Tuesday, Wednesday and Thursday provides an avenue to challenge and also to assist pupils who may have a need. Parents request, on shifting the timing is very apt, as pupils are most times rather tired after engaging in club activities from 2-3pm. finding it a struggle to stay focused

The immediate challenge, is that, the school presently needs to have confirmation from club organisers on the agreed new timings however, realistically the shift will be more in sync running in a new academic year. The school will keep parents informed.

The pupils have had a fun academic week, Year 1 engaging in making irregular shapes from dough in an exciting Art lesson as well as Key stage 2 presenting their opinions in public speaking presentations. A very exciting experience!

World book day is on the 1st. of March and the school will acknowledge the importance of books. Children will be encouraged to dress up as their favourite book character for the day and classes will have a range of fun academic activities. We are encouraging parents to make this character day special for the Kids.

The school will be on mid-term from **Friday the 9th to the 12th of February** and back on the 13th. The Common Entrance class of year 5 now runs every **Saturday** up to the exam in April (**except Saturday 10th of February (the Lagos marathon).** **However, lessons will take place Friday 9th of February (10am-1pm).**

The school will want parents to be conscious of resumption times and getting pupils to be in school, latest before 7.50 for start of lessons at 8.00am thereby, providing ample time for pupils to settle before the start of lessons. Teachers are also on morning welcome duty till 8.00am after which, they return to class for the start of lessons.

Please note that the choices of clubs are made at the beginning of term, within the first week. Changing clubs in between is therefore not **advisable**.
