Dear Parents,
It's with great delight that I welcome you and our children back to school after the Easter break. It's our belief that the holiday was refreshing and our children are totally rejuvenated and ready for the last lap of this academic journey. We welcome some new families into our great and warm community of pupils, parents and staff.

RESUMPTION

Our lovely children were received back to school in the usual Blooming Greens way. They are precious kings and queens and so they had a royal welcome walking on the red carpet. It was indeed a joyful day for all of us at Blooming Greens School.

GAMES FESTIVAL

Our Maiden Games Festival has come and gone but its memory will forever remain fresh in our minds. We appreciate you and our children for making it a huge success. Those children who are yet to collect their medals will receive theirs in the coming week. We will communicate the exact date as soon as all arrangements are set.

WALK FOR LIFE

This term is full of activities for both children and parents. One of these activities is Walk for Life. This is fixed for Saturday 8th June 2019 at 7am. Kindly mark this date in your diary. There will be a customised shirt for you to wear on the day. Please be there.

FACILITIES

As usual, we are very proud of our continuous acquisition of new devices and facilities. The just concluded Games Festival afforded us the opportunity to acquire more facilities and musical instruments for our Music Department. Our resolve to provide unrivalled international standard education to our children will be pursued with all vigour.

PROFESSIONAL DEVELOPMENT

Our teachers participated in series of professional trainings just before resumption. This is to keep us abreast with International Best Practices in the education industry. We are well equipped to meet and surpass your expectations.

Deputy Head of School

GHANA TRIP

We are at the verge of concluding with the travel agency that is handling our summer excursion to Ghana between 25th and 31st August 2019. Parents who are interested in registering their children for the trip should please do so without further delays. Rest assured that the children will have an unforgettable experience on the trip. You can't afford to miss out.

CONCLUSION

We solicit your usual support for us to achieve our set targets this new term. Kindly check the communication books for homework, project, or any information from the school. We wish you a very rewarding term ahead.

Thank you.
