

BLOOMING GREENS SCHOOL

NEWSLETTER

3, Connal Road, Off Herbert Macaulay Way, Yaba, Lagos // www.bloominggreensschools.com

OUR VISION

To become a preferred learning destination for complete nurturing of future leaders through rigorous sensitive development of the mind, intellect and character.

OUR MISSION

Redefining early childhood education through character grooming and eclectic teaching approach to harness all innate and obvious potential of the child.

MOTTO

Committed to Excellence

Dear Parents,

It has been an eventful term within a momentous year; we are delighted and full of thanks to God for being alive to see the end of the Green term. It was undoubtedly a tough term for both the school and parents, but we still conquered collaboratively.

We had to go extra miles to ensure effective learning to achieve the feat of having both physical and online classes run concurrently. Keeping both children and staff safe

was and is still paramount in our mind and that will not be compromised regardless of the huge financial costs on the school around that. The children also had their fair share of the impact of this peculiar term; they missed the usual social interactions with their mates and had to cope with using face masks and face shields for long hours. In all of these, we have stayed strong and enjoyed your cooperation and support.

LITERACY BOOK PAL AND BOOK REVIEW

The Reading culture in Blooming Greens School experiences continuous transformation all year round. It got a boost in the course of the term with the introduction of the Book Pal and Book Review Programmes. Book Pal programme is aimed at arousing and sustaining the passion for reading in our pupils. Older children read books to their book pals in lower classes using the right diction, voice of character, pace and intonation. Our online children were not left out. It was a whole school event. The momentum was sustained by the Book Review programme which came up in all Key Stage classes. Children did a review of different books. Their performance was simply prodigious!

EYFS IPC EXIT CELEBRATION

In line with global practices, our children in the Early Years Foundation Stage (EYFS) had their IPC Exit Celebration in grand style! Marking the end of the theme they had been working on for the term "**All about me**" at the various levels. Some came to school with their favourite toys for 'Show and Tell' while some came in their traditional wears talking about where they are from. It was a glorious day.

SOCIAL MEDIA PAGES:

CLASS PARTY

The term rounded off with class parties for our children on Friday 18th December 2020 after their end of term examination. The present realities did not permit the usual ceremonies that always heralded the end of the year holidays. However, our lovely children still celebrated notwithstanding.

VIRTUAL MEETING

We invite you to our end of term virtual meeting as scheduled below.

Key Stages 1 & 2 : Saturday 19th December 2020 @ 5:00pm

EYFS: Sunday 20th December 2020 @ 5:00pm

The link for both meetings is

<https://meet.google.com/ttm-qjqt-skz>

Please be punctual.

REGISTRATION WITH BRITISH COUNCIL

We are working tirelessly to be registered with the British Council. All necessary inspections and interviews have been successfully conducted. Hopefully we will get the official code before we resume for the Bloom term. This will open doors of opportunities in the areas of learning and teaching as we will be exposed to more resources, professional development and international school exchange programmes, amongst other huge benefits which will greatly impact our children in all ramification.

END OF GREEN TERM 2020/2021 SESSION

The school has officially closed for the Green term on Friday 18th December 2020. Resumption for the Bloom term is Monday 11th January 2021 by God's grace. The school will run only physical classes in the Bloom term. All existing Covid-19 precautionary measures will be adhered to strictly. We ask that you continue to reinforce this at home and cooperate with us as usual.

We thank you once again for your unwavering support in the pursuit of academic and all round excellence for our children.

Accept our warm regards.
