SUMMER TERM
2022/2023 Session
02, Jun 2023 | Issue 002

Insights from the CEO

Mrs. Susan Babatunde-Yamah

The eminent American philosopher and educational reformer, John Dewey astutely stated, '**Education is not preparation for life; education is life itself.**' Recognizing and embracing this profound reality, we wholeheartedly collaborate with you, our dear parents, to nurture these precious gifts of God as they embark on their life journeys.

To mark our 7th anniversary, we are thrilled to announce the rebranding of our newsletter as '*The Pupil*,' complemented by the exciting commencement of our secondary school, **Blooming Greens High School**. This transformation further reflects our institution's core essence of providing and utilizing resources to bring about the total child - the pupil of excellence! We are grateful to God and thank you our dear parents for the milestones recorded over these years.

As you delve into this remarkable edition of our newsletter, I want to express our unwavering commitment to excellence in the years ahead, while counting on your continued support.

Happy 7th Anniversary!

Mr. Fadare Adegboyega
Head Teacher

Dear Parents,

How time flies! The first half of the Summer term is over and we thank the Almighty God for the achievements we have recorded so far. We also thank you for your unflinching support. We welcome the new families who joined us in the course of the term and reassure all parents of our penchant for excellence in all we do.

The just concluded half-term was dominated with activities that were tailored towards developing the cognitive, affective and psychomotor domains of our children.

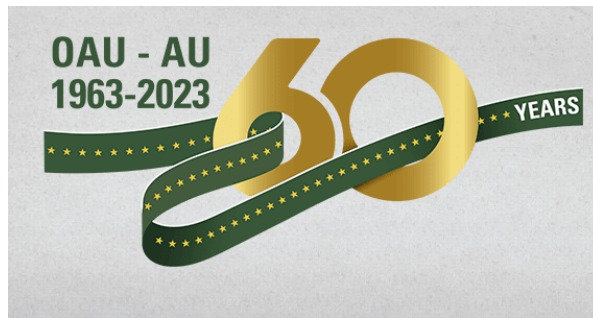

INTERNATIONAL DAY OF THE BOY CHILD

The International Day of the Boy Child is celebrated annually on the 16th of May as officially adopted by the United Nations in 2018. Being an

intentional school, Blooming Greens School joined other notable schools in the world to celebrate our boys. At a special assembly organized for this purpose, the boys were reminded of their important roles in society and the need to be responsible, respectful and diligent. Boys face a lot of challenges and deserve to be protected, just like their female counterparts!

AFRICAN UNION & ECOWAS DAY

African Union Day is celebrated on May 25th annually while ECOWAS Day is 28th of May. We had Special Assemblies where the children were taken through the significance of

the two days. They were able to appreciate great contributions of the African continent to the global economy, the goals of the two regional organizations and their many achievements in the sub-region. Some notable Africans were x-rayed, highlighting their unique contributions and inventions.

CURRENCY DAY

Another notable event was the Currency Day that was used to reinforce classroom learning on money, saving culture, buying and selling, historical timeline of legal tenders, different currencies in the world and exchange rates. A few banks were invited to talk to the children on the need to develop saving culture early in life. There were old and new currencies of many nations on display. Children spent their money on their chosen items and collected change. The event was simply phenomenal!

CHILDREN'S DAY

We marked Children's Day 2023 on Friday 26th of May, the children had lots of fun activities. We will continue to create fun and exciting experiences for our children to have a memorable childhood.

COFFEE MORNING

We appreciate your presence and objective feedback at the last Coffee Morning. In spite of the heavy downpour that welcomed the day, the turnout was impressive. This further confirms the premium that you place on the education of our dear children. We were also overwhelmed with tons of accolades and commendations. It is a testimonial of the intentionality in our service delivery.

CAREER DAY

This annual programme is aimed at creating awareness of various careers that drive the global economy. The children came in their favourite career costumes looking very gorgeous!

Our sincere appreciation goes to all our parents for their support towards the success of the event. Special thanks go to Mrs. Kumoluyi (a Lawyer), Mrs. Onakoya (a Medical Doctor), Mrs. Keshinro (a Medical Doctor), Mrs. Amadi (an Optometrist), Mrs. Ahusimere (a Marketer), Ms. Nosa John (HR Practitioner & Events Manager), Mrs. Adedotun (a Banker), Mrs. Ajayi (an IT professional), Mrs. Alabi (a Nurse) and Mrs. Dada (a Nurse) for making out time to talk to our children on their various professions. The programme was a huge success.

BLOOMING GREENS HIGH SCHOOL

As extensively discussed in the last Coffee Morning, we cannot over emphasize the commencement of Blooming Greens High School (BGHS) in the coming session. The college site is located in Yaba as well. All is set to commence the structure that will be purpose built and equipped with modern facilities that will enhance effective learning in the 21st Century. We have secured partnerships with many Universities and Foundations in Europe, Canada and America that

will open doors for exchange programmes with Blooming Greens High School. This partnership will avail our students scholarship opportunities in those universities, eliminating the need for the services of educational consultants. To this end, the representatives of some of these universities will be on ground at our End of Session Coffee Morning to address parents. Details will be communicated to you soon.

ENTRANCE EXAMINATION INTO BLOOMING GREENS HIGH SCHOOL

The first batch of entrance examination into the college is coming up on Saturday 24th June 2023 at 8:00am. We request that you spread this good news to your friends and colleagues.

OPEN HOUSE/SCIENCE/MUSIC EXHIBITION

Kindly keep the 8th of July 2023 free in your diaries. Our great school will be open to parents and well-wishers at the maiden edition of "Open House" which will feature Science and Music Exhibitions.

NURSERY 2 PARENTS' FORUM

Our annual Nursery 2 Parents Forum will hold on Saturday 24th June 2023 at 10:00am. This is an avenue to discuss the welfare of our children in Nursery 2 as they progress to the Key Stage. We congratulate all parents of these wonderful pupils.

THE SCHOOLS COMPASS MAGAZINE

Please find time to review and rate our school on the upscale schools promotional website www.schoolscompass.com.ng. Kindly also often visit other Blooming Greens School social media handles (Facebook, Youtube and Instagram) to follow, like and rate us. Do also leave your testimonials about our school.

7th FOUNDER'S DAY

Our great school will turn 7 on the 4th of June 2023. We are elated at the lofty heights to which God has brought us, and we know that better days are ahead. We look back and see numerous great strides and outstanding achievements within the

short period of existence. We give all glory to God Almighty for this. We also recognize that our success story is incomplete without your valuable contributions! We appreciate you!

Other notable days to look out for in the term:

- Ø Day of the African Child – June 16th
- Ø Parents' Conference – June 17th
- Ø EYFS IPC Exit Celebration – June 23rd
- Ø Nursery 2 Parents Forum – June 24th
- Ø BGC Entrance Examinations – June 24th
- Ø Nursery 2 Progression Ceremony – 13th July
- Ø Year Six Graduation/Luncheon – 14th July

GENTLE REMINDER

(BIRTHDAY CELEBRATION IN SCHOOL)

Only educational materials are allowed in any birthday pack. Edible materials and non-educational items will be returned. Cakes are for photograph purposes and should be just one layer. The celebrant is allowed to put on mufti.

MID-TERM BREAK

The school will be on Mid-term break from Monday 5th to Friday 9th June 2023. We will also observe Monday 12th of June 2023 as a Public Holiday to celebrate the nation's Democracy Day. Mid-term projects for the Key Stage classes have been uploaded on Google Classroom. Kindly prompt your child/children to work on the projects during the break.

Thank you.
